

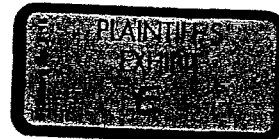

Exhibit 13

COUNTY OF BERNALILLO)
) ss:
STATE OF NEW MEXICO)

AFFIDAVIT OF ADELA A. WILLSON

I, Adela A. Willson, being first duly sworn upon oath, depose and state as follows:

1. My name is Adela A. Willson.
2. I am over 18 years of age and competent to make this affidavit.
3. I make this affidavit upon personal knowledge.
4. I have resided at 607 Isleta Blvd., SW, Albuquerque, New Mexico 87105 continuously since 1970.
5. I make this affidavit because of my experience with a possibly faulty voting machine.
6. On October 28, 2004, I voted early in connection with the general election scheduled for November 2, 2004. The polling place was located at 1625 Rio Bravo SW, Suite 25.
7. In voting, I used a voting machine in the middle of a row of approximately a dozen machines. The voting machine was a computer with a touch screen. I did not note the number of the machine.
8. Because I have a vision disability, I was assisted in voting by my husband, Harry Willson.
9. I touched the screen to indicate a "straight Democratic ticket"—in other words to automatically select the democratic candidate for each partisan office. Nonetheless, a checkbox did not appear next to the name of Richard Romero, the Democratic candidate for the United States House of Representatives. I then directed the computer to check the box next to the name of Romero, and it did so.
10. My husband observed the process and the result.
11. Had we not been paying careful attention, the voting machine described above would not have recorded my vote for United States House of Representatives.

12. I believe that the machine was not operating properly.

FURTHER AFFIANT SAYETH NAUGHT.
