

Exhibit 15

Affidavit of Hanson Stuart

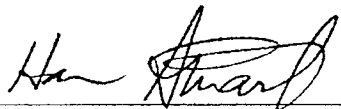

HANSON STUART being duly sworn upon his oath deposes and states as follows:

1. I am Hanson Stuart, and I reside at 2552 Sandia Loop NE, Rio Rancho, NM, 87144.
2. I am a registered voter in Sandoval County, New Mexico.
3. I make this affidavit upon personal knowledge.
4. At around 9:45 a.m. on Tuesday, October 19, 2004, I arrived at the early voting site located in the Sandoval County Commission meeting room in the old Courthouse, in Bernalillo, New Mexico, in order to vote.
5. After I was led to a voting machine, the poll worker could not get the machine to activate by touching the screen. Not until he mashed his thumb against the screen did the screen activate.
6. I attempted to cast a vote for my choice for President and Vice President by depressing the voting machine screen adjacent to the candidates of my choice. However, rather than register my vote for my choice, the machine registered a vote for another president/vice president ticket.
7. I touched on my candidate's name again to re-set the screen. I again attempted to register my vote for my choice, but the machine still registered my vote for the other ticket, the one I did not choose.
8. I then sought assistance from a poll worker. I was told to "slide my finger over the choice" rather than push it.
9. Following his instructions, I again attempted to cast the presidential ticket of my choice. This time I slid my finger over the circle, and the correct choice registered.
10. Upon the completion of my voting for all candidates and ballot issues, I checked my vote according to the final review screen. I verified the votes were correctly recorded. I then pushed "submit vote" and nothing happened. I then slid my finger over the surface of this instruction on the screen and my vote was recorded.

11. If I were to visit the polling place again, I could definitely pick out the machine I had difficulty using. I was in the middle machine of the three west facing machines in the polling place. I believe it was machine G.

FURTHER AFFIANT SAYETH NAUGHT.

HANSON STUART
