AFFIDAVIT OF MICHAEL SHOOK

I Michael Shook, having been duly sworn hereby state:

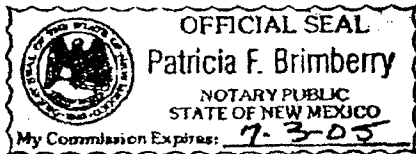

- 1. I am a resident of Rio Rancho, Sandoval County, New Mexico, and am registered to vote in the State of New Mexico. I live in Sandoval County Precinct 35.
- 2. On the morning of October 18, 2004, I went to place my vote in Precinct 35.
- 3. I voted on an electronic voting machine.
- 4. While I was voting I noticed that on one of screens my vote was not accurately reflected. I do not recall which screen it was that inaccurately reflected my vote.
- 5. Specifically, when I placed my vote, my vote appeared on the screen as a vote against the issue or candidate I was attempting to vote in favor of.
- 6. I made at least two attempts to vote in favor of this particular issue or candidate and each time my vote was disregarded and was registered as a vote against the issue or candidate I was trying to vote for.
- 7. On my third or fourth attempt at voting, I was able to have my vote correctly registered but only after I applied extraordinary pressure to the portion of the voting screen which was to be pressed in order to vote for the issue or candidate in question.
- 8. The foregoing is true and correct according to my own knowledge.
